- 1.7 Unless a written discrepancy, change, supplement, or exception to the specifications is noted on the bid detailing nonconformance, any part number, or product number, etc. noted on the bid will be considered in full compliance with the specifications. Submission of a bid in response to this solicitation evidences the bidder's acceptance of the terms and conditions herein.

It is each potential bidder's sole responsibility to frequently visit the web site to obtain all addenda.

2. BID DEPOSIT.

- 2.1 A bid deposit may be required when indicated in the solicitation. Failure to submit the bid deposit with the bid, when required, will nullify the bid.
- 2.2 When required in the solicitation, a certified check, treasurer's check, U.S. Postal Money Order, or a bid bond must accompany each bid.
- 2.3 Bid deposits will be returned to each unsuccessful bidder upon the award of the solicitation, and to successful bidders upon its execution of the contracts with each participation jurisdiction and the meeting of bond requirements, if applicable.
- 2.4 Nonperformance by a successful bidder, failure to execute a contract with each participation jurisdiction, or failure to meet bond requirements within the time frame specified in the solicitation or award notification may result in the bid bond being forfeited as liquidated damages.

3. BASIS FOR AWARD OF CONTRACT.

- 3.1 The Purchasing Agent shall award all contracts to the lowest responsible and responsive bidder(s) for competitive sealed bids and based on best value for competitive negotiations as determined in the sole discretion of the Purchasing Agent. Each participating jurisdiction will execute its own contract and issue its own purchase order for their contract. Each participating jurisdiction is responsible for determining that the method of solicitation complies with its procurement laws.
- 3.2 Any other consideration for the award will be stated in the solicitation.
- 3.3 Unless otherwise agreed in writing by the Purchasing Agent and the bidder(s) specified, all bids submitted shall be irrevocable for 120 calendar days following bid opening date, unless the bidder(s), upon request of the Purchasing Agent, agree to an extension. No bidder may withdraw its bid during that period.
- 3.4 When there is a conflict between the unit price or percentage and the extension, the unit price or percentage will prevail as the amount of the bid.
- 3.5 Bids shall be exclusive of all non-applicable Federal and Maryland state taxes. Tax exemption certificates will be furnished if required.
- 3.6 Each participating jurisdiction reserves the right to make payments via electronic funds transfers (EFT) or procurement cards for purchases for which those payment methods may be appropriate.

4. CASH DISCOUNT AND NET PAYMENTS.

- 4.1 Cash discounts based on time of payment will not be considered in determining an award, but will be taken by each participating jurisdiction, if applicable, at time of payment.
- 4.2 Bids requiring payment within less than 30 days from the date of invoice will be rejected.

5. PERFORMANCE AND PAYMENT BONDS

- 5.1 The successful bidder may be required to give security or bond for the performance of each participating jurisdiction's contract as determined by the Purchasing Agent.

5.2 When bonds are required, a surety licensed to do business in the State of Maryland must issue the bonds for each participating jurisdiction.

6. RESERVATIONS.

6.1 The Purchasing Agent reserves the right to reject any or all bids, in whole or in part, when in his/her reasoned and sole judgment, the public or BRCP's interest will be served thereby.

6.2 The Purchasing Agent may waive formalities or technicalities in bids as the interest of the public or BRCP and its participating jurisdictions may require, providing these differences do not violate the intent of the specifications, materially affect the operation for which the items are being purchased, or increase the price or estimated maintenance and repair cost.

6.3 Unless otherwise provided herein, each participating jurisdiction reserves the right to increase or decrease the quantities to be purchased at the prices bid. The quantity intended to be purchased and the period and/or percentage amount of any such reservation shall be stated in the solicitation and/or in any applicable participating jurisdiction's contract.

6.4 Unless otherwise provided herein, the Purchasing Agent reserves the right to make award(s) on a lump sum basis, individual item basis, or such combination as shall be in the best interest of the public and/or BRCP.

6.5 Unless otherwise provided herein, the Purchasing Agent reserves the right to order goods or services from other sources without prejudice to the contract.

7. DELIVERIES.

7.1 Bidders shall guarantee delivery in accordance with any delivery schedule as may be provided in the solicitation and/or in each participating jurisdiction's contract.

7.2 All deliveries shall be F.O.B. Destination and delivery costs and charges shall be included in the bid price.

7.3 Each participating jurisdiction reserves the right to levy a per diem charge to the successful bidder for each day the goods or services are not delivered in accordance with the delivery schedule. The per diem charge, identified in the solicitation and/or in each participating jurisdiction's contract, may be invoked at the discretion of the participating jurisdiction and said sum may be taken as liquidated damages and deducted from any compensation due to the successful bidder. Invoking the per diem charge as liquidated damages is not a waiver of the right to any other remedies or damages.

7.4 When practical, the successful bidder must package and ship all products in packaging and containers made of recycled, recyclable or biodegradable materials. Bidders are encouraged to eliminate packaging, or to use the minimum amount necessary for product protection, in order to minimize waste to the greatest extent practicable.

8. COMPETITION.

8.1 The name of any manufacturer, trade name of manufacturer, or vendor catalog number mentioned in the specifications is for the purpose of designating a standard of quantity and type and for no other reason. Minimum specifications where included, are not established arbitrarily to limit competition or to exclude otherwise competitive bidders.

8.2 A bidder shall offer a price on only one unit. Even though two or more units may meet specifications, Bidders must determine which to offer. Submission by a bidder for more than

one unit shall be sufficient cause for rejection of that specific item in the Purchasing Agent's sole discretion.

8.3 Bids that show any omission, irregularity, alteration of forms, additions not called for, conditional or unconditional unresponsive bids, or bids obviously unbalanced may be rejected in the Purchasing Agent's sole discretion.

8.4 All bids must be accompanied by such descriptive literature as may be called for by the solicitation.

8.5 If goods to be provided or goods to be used by a successful bidder when providing a service contain any ingredients that could be hazardous or injurious to a person's health, a Material Safety Data Sheet (MSDS) must be provided to the Purchasing Agent. This applies also to any goods used by the Successful Bidder when providing a service to the BRPC.

9. HOLD HARMLESS/INDEMNIFICATION.

The successful bidder shall indemnify, defend, and save harmless each of the participating jurisdictions and their respective employees, agents and officials against or from all costs, fees (including reasonable attorneys' fees), liabilities expenses, damages, injury, and loss including (but not limited to) attorney's fees, which may be incurred or made against any of the participating jurisdictions, their respective employees, agents or officials, and resulting from any act or omission committed in the performance of the duties and obligations of the successful bidder under this solicitation and/or each participating jurisdiction's resulting contract or anyone under contract with the successful bidder to perform duties or obligations thereunder. The successful bidder shall allow each participating jurisdiction to participate in the defense of the participating jurisdiction, its employees, agents and officials, to the extent and as may be required by the participating jurisdiction, and the successful bidder shall cooperate with the applicable participating jurisdiction in all aspects in connection therewith.

10. INSURANCE.

10.1 The successful bidder shall, at all times during the term of each participating jurisdiction's contract, maintain and keep in force such insurance as Workmen's Compensation, Liability, and Property Damage as will protect the successful bidder from claims under Workmen's Compensation Acts and also such insurance as will protect the successful bidder and the participating jurisdictions from any other claims for damages for person injury, including death, as well as from claims for damages to any property of each participating jurisdiction or of the public, which may arise from operations under this solicitation and each participating jurisdictions' contract, whether such operations are by the successful bidder or any subcontractor or any agent directly or indirectly employed by any of them.

10.2 Refer to the specifications for detailed insurance requirements. [Or insert the lead jurisdiction's requirements here]

11. DISPUTES.

Prior to award, in case of disputes, the decision of the Purchasing Agent shall be final and binding. The Purchasing Agent may request, in writing, the recommendation of participating jurisdictions or other objective source. Subsequent to award of the solicitation, in case of disputes as to whether an item or service quoted or delivered meets specifications, the decision of the applicable participating jurisdiction shall be final and binding with respect to the participating jurisdiction's contract.

12. TERMINATION.

12.1 Termination for Convenience: Any participating jurisdiction may terminate its contract, in whole or in part, upon giving at least thirty (30) days written notice to the successful bidder. The participating jurisdiction shall pay all reasonable costs incurred by the successful bidder up to the date of termination in connection with that participating jurisdiction's contract only. The successful bidder will not be reimbursed for any anticipatory profits, which have not been earned up to the date of termination by any participating jurisdiction or BRCPC. The BRCPC will be promptly notified in writing of any termination hereunder by the applicable participating jurisdiction.

12.2 Termination for Default: When the successful bidder has not performed or has unsatisfactorily performed under the contract of any participating jurisdiction, the participating jurisdiction may terminate its contract for default and the successful bidder is entitled to any reasonable costs incurred by the successful bidder up to the date of termination. The successful bidder will not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. The BRCPC will be promptly notified in writing of this termination by the applicable participating jurisdiction.

13. PATENT INFRINGEMENT.

The successful bidder agrees to indemnify, protect, defend and save harmless each participating jurisdiction, its officers, agents, and employees with respect to any claim, action, cost (including, but not limited to, attorney's fees), or judgment for patent, copyright, or trademark infringement, or any other claim related to intellectual property or proprietary information arising out of purchase or use of goods or services or from any of the successful bidder's duties or obligations covered by the solicitation or any participating jurisdiction's contract. The successful bidder shall allow each participating jurisdiction to participate in the defense of the participating jurisdiction, its employees, agents and officials, to the extent and as may be required by the participating jurisdiction, and the successful bidder shall cooperate with the applicable participating jurisdiction in all aspects in connection therewith.

14. NON-ASSIGNMENT.

A participating jurisdiction's contract resulting from this solicitation and the compensation, which may become due thereunder, are not assignable except with prior written approval of the applicable participating jurisdiction.

15. FACILITIES.

The BRCPC and each participating jurisdiction reserves the right to inspect the bidder's facilities at no cost to the BRCPC or any participating jurisdiction at any time with prior notice.

16. AUTHORITY.

Instructions, specifications, and proposals are issued, and all bids, quotations, orders, and purchases are made pursuant and subject to the enabling respective legislation of each of the participating jurisdictions. The successful bidder shall ensure compliance with the ethics provisions of the participating jurisdictions.

17. FAILURE TO RESPOND.

Bidders who fail to respond three (3) times in succession to solicitations without adequate justification may be removed from the bidder's list.

18. AVAILABILITY OF FUNDS.

BRCPC has no obligation (contractual, financial or otherwise) hereunder or for any participating jurisdiction's contract. The contractual obligation of each participating jurisdiction under its respective contract is contingent upon appropriation of funds by the governing body of the applicable jurisdiction from which payment shall be made.

19. GOVERNING LAW.

19.1 This solicitation shall be governed by and construed in accordance with the laws of the State of Maryland without regard to any choice of law principles that would dictate the laws of any other jurisdiction. The exclusive venue for any and all actions related to this solicitation hereto shall be the appropriate Federal or State court located within the State of Maryland.

19.2 The laws of Maryland shall govern the resolution of any issue arising in connection with each participating jurisdiction's contract, including, but not limited to, all questions on the validity of each such contract, the capacity of the parties to enter therein, any modification or amendment thereto, and the rights and obligations of the parties thereunder.

19.3 All bidders must be registered to do business in the State of Maryland in accordance with the Annotated Code of Maryland Corporations and Associations Sec. 2-102 Formation generally, Sec. 7-202 Registration to do interstate and foreign\* business, and/or Sec. 7-203 Qualification to do intrastate. \*"a corporation, association, or joint-stock company organized under the laws of the United States, another state of the United States, a territory, possession, or district of the United States, or a foreign country." Sec. 1-101 Annotated Code of Maryland Corporations and Associations.

20. NON-WAIVER.

Any waiver of any breach of covenants herein contained to be kept and performed by the successful bidder shall not be deemed or considered as a continuing waiver and shall not operate to bar or prevent any participating jurisdiction from declaring a breach or default for any succeeding breach either of the same condition of covenant or otherwise. No failure or delay by any participating jurisdiction to insist upon the strict performance of any term, condition or covenant of its contract agreement, or to exercise any right, power, or remedy consequent upon a breach thereof, shall constitute a waiver of any such term, condition, or covenant or of any such breach, or preclude the participating jurisdiction from exercising any such right, power, or remedy at any later time or times.

21. INTEGRATION.

This solicitation, bid response, and each subsequent participating jurisdiction's contract with the successful bidder contain the entire understanding between the successful bidder and each applicable participating jurisdiction. Each participating jurisdiction's contract shall only be amended if such amendment is in writing and executed by a legally authorized representative of the successful bidder

and the applicable participating jurisdiction. Any contract amendment of one participating jurisdiction shall not impact or affect any other participating jurisdiction's contract or BRPC.

22. SOCIO-ECONOMIC PROGRAMS.

The participating jurisdictions have various socio-economic programs, which, if applicable, are detailed in the solicitation. Although there is no requirement that the bidder be a minority-owned, women-owned, disabled-owned business or small business, all under utilized businesses are encouraged to respond to this solicitation.

23. USE OF ILLEGAL IMMIGRANT LABOR.

The use of illegal immigrant labor is in violation of the law and is strictly prohibited. Contractors and subcontractors must verify employment eligibility of workers in order to assure that they are not violating Federal/State/Local laws regarding illegal immigration.

24. PUBLIC INFORMATION.

The participating jurisdictions operate under a public information law – Maryland Access to Public Records Act, State Government Article, Sections 10-611 through 10-628, of the Annotated Code of Maryland. Bids/proposals will be available for public inspection except to the extent that a bidder designates trade secrets or other proprietary data to be confidential. A bidder's designation of material as confidential will not necessarily be conclusive, and may be required to provide justification as to why such material should not be disclosed upon request.

GENERAL TERMS AND CONDITIONS APPLICABLE TO  
STATE OF MARYLAND, BOARDS OF EDUCATION

1. TOBACCO PRODUCTS.

The use of tobacco products is not permitted on school property. Referencing Code of Maryland Regulations 13A.02.04, the use of tobacco products is not permitted in or on property owned by the Board of Education or the political subdivisions.

2. CHILD SEX OFFENDER NOTIFICATION.

2.1 Maryland law requires certain child sex offenders to register with the local law enforcement agency. One of the purposes of this law, found in Article 27§ 792, is to inform school systems when a child sex offender is residing or working in the area. When the child sex offender registers, the local police are required to notify the Superintendent of Schools, and the Superintendent, in turn, is required to send a notice to school principals.

2.2 As a successful bidder and/or its agents working for the political subdivisions, shall not employ convicted child sex offenders to work on projects for public schools if they, as a result, are required to perform delivery, installation, repair, construction or any other kind of services on political subdivision property. Further, Maryland Law effective June 22, 2006, requires that any person who enters a contract with a county board of education or a non-public school "may not knowingly employ an individual to work at a school" if the individual is a registered sex offender. A successful bidder and/or its agents who violate this requirement is guilty of a misdemeanor and if convicted may be subject to up to five years imprisonment and/or a \$5,000 fine.

2.3 A successful bidder shall screen their work-forces to ensure that a registered sex offender does not perform work at a school and also ensure that a subcontractor, independent contractor, successful bidder and/or any agents conducts screening of its personnel who may work at a school. The term "work force" is intended to refer to all of the successful bidder's direct employees, subcontractors, agents, and/or independent contractors it used to perform the work. Violations of this provision may cause a participation jurisdiction to take action against the successful bidder up to and including termination of the contract.

2.4 To assist you in identifying convicted child sex offenders, the schools have the list of convicted child sex offenders, which successful bidders may view. The schools maintain the list and update the list as new offenders are identified, however, it is solely the responsibility of the successful bidder to comply with this provision.

## Additional General Instructions for Solicitations

### 1. Instructions, Forms and Specifications

1.1 All bids/proposals are to be submitted on and in accordance with the forms provided by the Purchasing Division. All bids must be submitted in a sealed envelope or carton as appropriate. All bids must be clearly identified on the front of the envelope or top of the carton with the SOLICITATION NUMBER and the DUE DATE and TIME. Bid times are either Eastern Standard Time or Eastern Daylight Time, whichever prevails. Late bids will not be considered.

1.2 Responses to Requests for Bids and Requests for Proposals shall be accompanied by an executed Procurement Affidavit, as provided by the Purchasing Division. This does not apply to Requests for Quotations.

1.3 Amendments to solicitations often occur prior to bid opening and sometimes within hours prior to bid opening. All bidders are responsible for frequently visiting the Purchasing web site to obtain amendments once they have downloaded a solicitation.

1.4 Additional information or clarification of any of the instructions or information contained herein may be obtained from the Purchasing Division. The County assumes no responsibility for oral instructions or suggestions. All official correspondence in regard to this solicitation must be directed to, and will be issued by, the Purchasing Division.

1.5 Bidders finding any discrepancy in or omission from the specifications, in doubt as to meaning, or asserting that the specifications are discriminatory, shall notify the Purchasing Division in writing at once, but in no case later than five (5) business days prior to the scheduled opening of bids. Exceptions stated do not obligate the County to change the specifications. The Purchasing Division will notify all bidders in writing, by amendment duly issued, of any substantive revisions to specifications or instructions.

1.6 Unless a written exception detailing non-conformance to specifications is noted on the bid, any part number, product number, catalog number, etc., noted on the bid will be considered in full compliance with the specifications.

1.7 Submission of a bid in response to this solicitation evidences the bidder's acceptance of these General Instructions and the terms and conditions of the solicitation. Submission of a bid

evidences bidder's representation and warranty that the person submitting the bid response is authorized to act for and bind the contractor.

1.8 All original and duplicate bids/proposals and other attachments, related documents and correspondence, including all follow-up documents and correspondence, shall be typed or written in English. All prices/percentages and/or other monetary figures shall be in United States dollars.

1.9 Requests for Bids and Requests for Proposals should be accompanied by an electronic version (Compact Disc) of the bid proposal in PDF format. It shall be the bidder's responsibility to verify that the electronic version is complete. The electronic version of the non-successful proposal response will be the only version retained by Baltimore County. The Compact Disc must be labeled with the bid number, the bid title, and the bidder's name submitting the response. All bids must be submitted in a sealed envelope or carton as appropriate. This does not apply to Requests for Quotation.

1.10 Issuing Officer: The sole point of contact for the County for purposes of this solicitation is the Buyer, listed on the cover page; questions regarding any aspect of the competitive process must be directed to the Buyer, in writing.

### 2. Award of Solicitations

2.1 Any award pursuant to Requests for Quotation and Requests for Bid is made to the lowest responsive and responsible bidder following the public opening of bids under Section 10-2-406 of the Baltimore County Code, 2003, as amended.

2.2 Awards on Requests for Quotations and Requests for Bid will be made within sixty (60) days after bid opening unless otherwise indicated in this solicitation. No bidder will be allowed to withdraw a bid during that period.

2.3 The successful bidder may be required to give security or bond, as stated in the bid document, for performance of the contract.

2.4 When there is a conflict between the unit price or percentage and the extension, the unit price or percentage will prevail as the amount of the bid.

2.5 Cash discounts will be considered in determining awards. However, cash discount offers must allow not less than 30 days to be considered in bid evaluation. A bid offering a cash discount in a

period of less than 30 days will be evaluated as a bid without a discount offer; however, should that bidder obtain award by consideration of the gross price, the County shall make every effort to obtain the discount. The County will not accept any payment terms with a period of less than 30 days.

2.6 Invoices against resulting order(s) must be submitted, in duplicate, to the Office of Budget and Finance, Disbursements Section, 400 Washington Avenue, Room 148, Towson, Maryland 21204-4665. Invoices must show the vendor's Federal Tax Identification Number or Social Security Number, as appropriate, and order number and line number(s) that correspond with resulting order(s).

2.7 The County will not pay interest charges or other penalties for invoice payments.

2.8 Prices quoted shall be exclusive of all non-applicable Federal and Maryland State taxes. Tax exemption certificate will be furnished if required.

2.9 The County reserves the right to consider making payments via electronic funds transfers (EFT) on contracts for which this payment vehicle may be appropriate.

### 3. Reservations

3.1 The County reserves the right to reject, in whole or in part, any and all bids received, and to make a whole award, multiple awards, a partial award, or no award, to best serve the public interest.

3.2 The County may waive formalities in bids as the interests of the County may require.

3.3 The County reserves the right to increase or decrease quantities by approximately twenty (20) percent to be purchased at the prices bid.

3.4 The County reserves the right to award solicitations or place orders on a lump sum or individual item basis, or in such combination as to best serve the public interest.

3.5 The County may waive minor differences, irregularities, and technicalities in the specifications, provided they neither violate the specifications intent, materially affect the operation for which the items or services are being purchased, nor increase estimated maintenance and repair costs to the County.

3.6 At any time during normal business hours and as often as the County may deem necessary, the Contractor shall make available to and permit inspection and photocopying, by the County, its employees or agents, of all records, information and documentation of the Contractor related to the

subject matter of this contract, including, but not limited to, all contracts, invoices, payroll, and financial audits.

3.7 Notwithstanding any other terms or provisions of the contract, in the event the County is temporarily or permanently prevented, restricted or delayed in the performance of any or all of the duties and obligations imposed upon or assumed by it thereunder, by act of the General Assembly of Maryland or the Baltimore County Council, by a court of competent jurisdiction or by administrative delay not due to the fault of the County (and its members and agents) shall not be liable directly or indirectly for any claims caused to or suffered by the Contractor or any other person in connection with or as a result of such prevention, restriction or delay.

3.8 The County further reserves the right to make such investigation as it deems necessary to determine the ability of bidders to furnish the required services, and bidders shall furnish all such information for this purpose as the County may request. The County also reserves the right to reject the proposal of any bidder who is not currently in a position to perform the contract, or who has previously failed to perform similar contracts properly, or in a manner acceptable to the County, all of which shall be in the County's sole discretion.

### 4. Competition

4.1 The name of any manufacturer, trade name, or vendor catalog number mentioned in the specifications is for the purpose of designating a standard of quality and type, and for no other purpose unless otherwise stated in the solicitation.

4.2 A bidder may offer a price on only one unit per line item. Even though two or more units may meet the specification, bidders must determine for themselves which to offer. Submission by a bidder of prices for more than one unit shall be sufficient cause for rejection of the bid for that specific item.

4.3 Bids which show omission, irregularity, alteration of forms or additions not called for, as well as conditional or unconditional unresponsive bids, or bids obviously unbalanced, may be rejected.

4.4 All bids must be accompanied by such descriptive literature as may be called for by the specifications or proposal.

4.5 If products to be provided to the County contain any substances that could be hazardous or injurious to a person's health, a material safety data sheet (MSDS) must be provided to the Purchasing Division. This applies also to any product used by a Contractor when providing a service to the County.

4.6 Specifications are based on County needs and uses, estimated costs of operations and maintenance, and other significant and/or limiting factors to meet County requirements, and to ensure consistency with County policies. Minimum specifications, and maximum specifications where included, are not established arbitrarily to limit competition or to exclude otherwise competitive bidders.

4.7 Unless multiple or alternate bids are requested in the solicitation, these bids may not be accepted. However, if a bidder clearly indicates a base bid, it shall be considered for award as though it were the only bid submitted by the bidder.

**5. Minority/Women's Business Enterprise (MBEWBE) and Small Business Notice:** Baltimore County is seeking Minority, Woman and Small Businesses to bid on current solicitations as a prime or sub contractor. In accordance with the Executive Order dated June 4, 2009, "an overall goal of 15% of the cumulative total of all discretionary dollars spent in a fiscal year of County procurements is to be awarded to and/or performed by MBE and WBE firms." MBE/WBE's and Small Businesses are encouraged to respond to this solicitation.

## **6. Authority**

6.1 In case of disputes as to whether an item or service quoted or delivered meets specifications, the decision of the Purchasing Agent or authorized representative shall be final and binding on both parties. The Purchasing Agent may request the recommendation in writing of the head of the using agency, the Standards and Specifications Committee, or other objective sources.

6.2 Bidders desiring to appeal a decision of the Purchasing Division must deliver written protests to the Purchasing Division within 10 days of notification of award. The Purchasing Agent or designee will review the protested decision, examine any additional information provided by the bidder and respond in writing within 10 working days of receipt of written protests.

6.3 Instructions, Specifications, and Proposals are issued, and all bids, quotations, orders, and purchases are made pursuant and subject to the provisions of the Baltimore County Charter, and Article 10, Title 2 of the Baltimore County Code, 2003, as amended, and regulations and policies established or prescribed by the Purchasing Division.
