7.1 TERMINATION FOR DEFAULT

Should a Contractor fail to perform fully, faithfully and promptly any obligation owed to AACPS under this contract, then AACPS may, at its election, consider the breach material and, notwithstanding any requirement of notice, terminate the contract in its entirety. Failure on the part of the Contractor to fulfill contractual obligations shall be considered just cause for termination of the contract, and the Contractor is not entitled to recover any cost incurred by the Contractor up to the date of termination. Such termination, or failure to terminate, by AACPS shall not be construed as a waiver of any other right or remedy afforded by law or by agreement between the parties which AACPS may have against Contractor. No failure of AACPS to utilize a remedy afforded by law or contract upon any breach by Contractor shall be construed as a waiver of the right to insist upon full, prompt and faithful performance of the particular obligation, and all other obligations of Contractor in the future.

7.2 TERMINATION FOR CONVENIENCE

The performance of work under this contract may be terminated by AACPS in accordance with this clause in whole, or from time to time in part, whenever AACPS shall determine that such termination is in the best interest of AACPS. AACPS shall pay all reasonable costs associated with the contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the contract; provided, however, that the Contractor shall not be reimbursed for any anticipatory profits that have not been earned as of the date of termination.

7.3 NONAVAILABILITY OF FUNDING

If the County Council fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this contract succeeding the first fiscal period, this contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this shall not affect either AACPS's rights or the Contractor's rights under any termination clause in this contract. The effect of termination of the contract hereunder shall be to discharge both the Contractor and AACPS from future performance of the contract, but not from their rights and obligations existing at the time of termination.

8. ASSIGNMENT

The assignment of this contract to successors, associated companies or any other parties by the Contractor for any reason, without the expressed written approval of AACPS, is hereby specifically prohibited.

9. PAYMENT

Subject to the performance of the work and its acceptance by the AACPS, contractor may invoice the AACPS for all appropriate charges for services performed during the billing period. All such charges shall be derived in accordance with the prices originally bid on the BID WORK SHEET, found in Section V attached hereto and made a part hereof. In the event that contractor is not in default of any of the contract terms and conditions, then AACPS shall cause said invoice to be timely paid. Payment shall be made within 30 days of invoice.

Contractor agrees to include on the face of all invoices billed to the AACPS, its Taxpayer Identification Number, which is the Social Security Number for individuals and sole proprietors and the Federal Employer Identification Number for all other types of organizations, and the purchasing document number; such as the purchase order.

When appropriate, AACPS reserves the right to use the AACPS procurement card for the payment of supplies or services listed in the Contract in lieu of issuing a purchase order. No procurement card transaction shall take place without the written authorization of the cardholder indicating the order for the supplies or services. The limits set on the procurement card shall not be exceeded nor shall the order be split to fall within those limits. The Contractor shall receive orders by phone, facsimile, or other forms of notification from the AACPS procurement card holder. The Contractor may process a payment in the credit card network ONLY upon shipment of supplies or performance of the services ordered by the cardholder. For partial shipments or performance, the Contractor may process a payment ONLY for the amount shipped or completed and NOT for the entire amount ordered by the cardholder. Upon shipment or completion of the remaining order, the Contractor may process a payment request to the credit card network for the remainder of the order. ***The Contractor shall not charge AACPS for any fees related to the use of the procurement card over and above their bid prices.***

10. INDEMNIFICATION OF THE ANNE ARUNDEL COUNTY PUBLIC SCHOOLS

Contractor shall indemnify and save harmless the AACPS, its agents, AACPS members and employees, against and from all suits, actions, claims, demands, damages, losses, expenses and/or costs of every kind and description to which the AACPS may be subjected or put, including but not exclusively so, by reason of injury (including death) to persons or damage to property, in any way resulting from Contractor's performance of the work specified herein or performed under this contract, or any part thereof, or by or on account of any act or omission of the Contractor, its agents or employees, whether such suits, actions, claims, demands, damages, losses, expenses and/or costs be against, suffered or sustained by the AACPS, its agents, AACPS members and employees, or be against, suffered or sustained by other corporations and persons to whom the AACPS, its agents, AACPS members and employees, may become liable therefore, except that Contractor shall not indemnify and save harmless the AACPS, its agents, AACPS members and employees, against and from all suits, actions, claims, demands, damages, losses, expenses and/or costs arising from or due to the negligence of the AACPS or its agents, AACPS members and employees. The whole, or so much of the moneys due, or to become due the Contractor under the contract, as may be considered necessary by the Supervisor of Purchasing, may be retained by the AACPS until such suits or claims for damages shall have been settled, or otherwise disposed of, and satisfactory evidence to that effect furnished to the Supervisor of Purchasing.

11. AGENT CERTIFICATION

The Contractor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide agent, bona fide salesperson, or commercial selling agency working for the Contractor, architect, or engineer, to solicit or secure this agreement, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity other than a bona fide employee, bona fide salesperson, or commercial selling agency, any fee or other consideration contingent on the making of any agreement resulting from this solicitation.

12. INTELLECTUAL PROPERTY

Contractor agrees to indemnify and save harmless AACPS, its officers, agents and employees with respect to any claim, action, cost or judgment for patent infringement, or trademark or copyright violation arising out of the purchase of materials, supplies, equipment or services covered by this contract. Further, Contractor shall not share, exchange, or release AACPS's data to any other party without the express written consent from the Superintendent or his/her designee of AACPS.

13. CODE OF ETHICS

This solicitation shall be governed by the Ethics and Vendor Relations policies and regulations of the Board of Education of Anne Arundel County, including Policy DEC and Administrative Regulation DEC-RA.

14. NON HIRING OF EMPLOYEES

No employee of the AACPS or any department, commission, agency or branch thereof whose duties as such employee include matters relating to or affecting the subject matter of this contract shall, while being employed, become or be employee of the party or parties hereby contracting with the AACPS or any department, or branch thereof.

15. DISPUTES

This contract shall be subject to the provision of the Board of Education of Anne Arundel County Regulation DEC-RA. Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the contract in accordance with the Supervisor of Purchasing's decision.

16. REGULATIONS

The regulations set forth in the Board of Education of Anne Arundel County Policies and Regulations in effect on the date of execution of this Contract are applicable to this Contract.

17. SEVERABILITY

Should any clause or paragraph found herein be considered by court action to be illegal, invalid, inoperative or unenforceable, it shall be modified or removed accordingly. However, the modification or removal of a clause or paragraph shall not serve to nullify the Contract. All other clauses and paragraphs shall remain enforceable as written.

18. WAIVER

No provision of these Contract Documents shall be deemed to have been waived unless such waiver is in writing. Any waiver shall extend to the particular case only and only in the manner specified, and shall not be construed in any way to be a waiver of any further or other rights in the same or different circumstances.

19. NON-DISCRIMINATION CLAUSE

Anne Arundel County Public Schools prohibits discrimination in matters affecting employment or in providing access to programs on the basis of actual or perceived race, color, religion, national origin, sex, age, marital status, sexual orientation, genetic information, gender identity, or disability unrelated in nature and extent so as to reasonably preclude performance. Further, Contractor agrees not to discriminate in any manner against an employee or applicant for employment on the basis of actual or perceived race, color, religion, national origin, sex, age, marital status, sexual orientation, genetic information, gender identity, or disability unrelated in nature and extent so as to reasonably preclude performance in matters affecting employment.

20. MODIFICATIONS AND AMENDMENTS

Modifications to this Contract may be made only with the express written concurrence of both parties unless an expressed unilateral right is identified herein.

21. FORCE MAJEURE

Force Majeure is defined as an occurrence beyond the control of the affected party and not avoidable by reason of diligence. It includes the acts of nature, war, riots, strikes, fire, floods, epidemics, or other similar occurrences. If either party is delayed by force majeure, said party shall provide written notification to the other within 48 hours. Delays shall cease as soon as practicable and written notification of same provided. The time of contract completion may be extended by contract modification, for a period of time equal to that delay caused under this condition. AACPS may also consider requests for price increase for raw materials that are directly attributable to the cause of delay. AACPS reserves the right to cancel the contract and/or purchase materials, equipment or services from the best available source during the time of force majeure, and Contractor shall have no recourse against AACPS. Further, except for payment of sums due, neither party shall be liable to the other or deemed in default under this contract, if and to the extent that such party's performance of this contract is prevented by reason of force majeure as defined herein.

Rider Clause

The Mid-Atlantic Purchasing Team (MAPT) is the title of the agreement between the Metropolitan Washington Council of Governments and the Baltimore Metropolitan Council to aggregate the purchasing volumes in the Maryland, Virginia and Washington D.C. regions.

Format

A lead agency format is used to accomplish this work. The lead agency has included this MAPT Cooperative Clause in this offering indicating its willingness to allow other public entities to participate pursuant to the following terms:

Terms and Conditions

Participating entities, through their use of the cooperative clause, agree to the terms and conditions of the resulting contract to the extent that they can be reasonably applied to the participating entity. Participating entities may also negotiate additional terms and conditions specific to their local requirements upon mutual agreement between the parties.

Contract and Reporting

The supplier/contractor and participating entity agree:

- 1) This contract shall be governed by and construed in accordance with the laws of the State in which the participating entity officially resides
- 2) The regional coordinators of cooperative purchasing in MWCOG and BMC shall be provided reasonable contract usage reporting on demand and without further approval of contract participants
- 3) Contract obligations rest solely with the participating entities only
- 4) Significant changes in total contract value may result in further negotiations of contract pricing for the participating entities

In pricing and other conditions, vendors are urged to consider the broad reach and appeal of MAPT with public and non-profit entities in this super region.
