B. Large Ticket Rebate

Should the minimum annual Consortium Combined Total Charge Volume required to earn a Volume Rebate be achieved as stated above, Bank will pay each Consortium Participant a rebate based on the respective individual Consortium Participant's annual Combined Large Ticket Transaction Volume. The rebate will be calculated as 0.65% ("Large Ticket Rebate Rate") multiplied by each respective individual Consortium Participant's annual Combined Large Ticket Transaction Volume, subject to the rebate adjustments below.

4. REBATE ADJUSTMENTS

A. Average File Turn Adjustment

i. For purposes of this Section 4.A, "Average File Turn" means the annual average outstanding balance (i.e. sum of the average outstanding balances for each calendar month divided by 12) divided by the annual Combined Total Charge Volume, multiplied by 365.

ii. The Average File Turn Adjustment for a Consortium Participant's Program(s) is calculated by determining the difference between the Average File Turn for the respective Program(s) and 29. If the actual Average File Turn is less than 29, the Volume Rebate Rate and Large Ticket Rebate Rate will each be increased by 0.0075% for each whole number less than 29. If the actual Average File Turn is greater than 29, the Volume Rebate Rate and Large Ticket Rebate Rate will each be decreased by 0.0075% for each whole number greater than 29 but less than 46.

By way of example, Programs with Settlement Terms of 30 & 14 would have an Average File Turn of 29, provided that spend occurs ratably throughout each cycle. Programs with Settlement Terms of 7 & 7 would have an average File Turn of 10.5, provided that spend occurs ratably throughout each cycle.

iii. If a Consortium Participant's actual Average File Turn under Section 4.A.ii is greater than 45 days, such Consortium Participant will not qualify for any rebate payment (as described below in the General Rebate Terms Section).

B. Average Annual Spend per Card Adjustment

Bank may adjust the Rebates if Client's Average Annual Spend per Card decreases more than 20%. The U.S. Purchasing Card Program assumes an Average Annual Spend per Card for Client of \$25,000.

C. Interchange Rate Adjustment

In the event of a reduction in interchange rates by the Associations, Bank reserves the right to adjust the rebate rates and fees accordingly.

5. GENERAL REBATE TERMS

A. Annual Rebates

i. Rebates will be calculated annually in arrears. Rebate payments will be made in USD within the 90 day period after the end of the calendar year (the "Rebate Calculation Period") via wire transfer to a business account designated by each Consortium Participant and authenticated by Bank. Payment is contingent upon Bank receiving the respective Consortium Participant's wire instructions and Bank's authentication of such instructions prior to the end of the Rebate Calculation Period.

ii. Rebate amounts are subject to reduction by all Credit Losses. If Credit Losses exceed the rebate earned for any calendar year, the respective Consortium Participant shall pay to Bank the amount in excess of the rebate, which invoice shall be due and payable in accordance with the terms of such invoice. If the respective Consortium Participant is participating in more than one Program, Bank reserves the right to offset any Credit Losses from one Program against any rebate earned under any other Program. In no event will Bank pay a Consortium Participant a rebate for the year in which the Agreement is terminated.

B. To qualify for any rebate payment, all of the following conditions must be met.

- i. Consortium Participant is not in default under the Agreement at the time of rebate calculation and payment.
- ii. Account(s) must be current at the time of rebate calculation and payment.
- iii. Average File Turn must be less than 46 days (as stated in the Average File Turn Adjustment section).

6. SETTLEMENT TERMS

Payment must be received by Bank in accordance with the Settlement Terms. Late payments shall be subject to a fee(s) as specified in the Fees Section. Settlement Terms are 7 & 7 for the Client's U.S. Purchasing Card and 30 & 14 for the Client's Single-Use Account Programs. Consortium Participants (excluding the Client) have the option to elect 7 & 1, 7 & 7, 14 & 7, 30 & 7, 30 & 14 and 30 & 25 Settlement Terms for their Purchasing Card program. Such Consortium Participant's Purchasing Card program Settlement Terms election will be determined at time of each respective program implementation process. Such Consortium Participant's Single-Use Account program Settlement Terms are 30 & 14, where applicable.
