CONFLICT

The terms and conditions referenced on the face of this Purchase Order (including references to the Request for Bids, Request for Proposals, Plans, or Specifications) shall govern if they are in conflict with these terms and conditions.

All terms and conditions as stated in this Purchase Order govern in the event of a conflict with any terms of Seller's bid or proposal, and are not subject to change because of any written or verbal statements by Seller, unless accepted in writing by the Purchasing Agent.

COMPLIANCE

The County may at any time insist upon strict compliance with these terms and conditions, notwithstanding any previous custom, practice, or course of dealing to the contrary.

PURCHASING AGENT'S AUTHORITY

The County will not recognize any purchase that is not made through the Office of the Purchasing Agent.

All items delivered under this Order must be of the quality specified, or if no quality is specified, must be of the best quality.

ACKNOWLEDGMENT

When requested, the Seller will promptly acknowledge an Order, and state when delivery will be made.

TIME OF THE ESSENCE

Time is of the essence on this Order. The County reserves the right to cancel the whole or any part of this Order, without obligation, if delivery is not made at the time specified.

The County will not pay any freight or delivery charges unless specifically so provided in the Order.

BACK ORDERS

The Seller may not backorder any item(s) without permission of the County.

INSPECTION

All items supplied are subject to inspection by and approval of the County. Items may be rejected that are defective or that do not meet the requirements of this Purchase Order. If items are rejected, the County shall so notify the Seller in writing, and the County, at its option and at the expense and risk of the Seller, may either return such rejected items to the Seller or hold them for such disposal as Seller may indicate.

INVOICE AND PAYMENT

- a) A separate invoice, in triplicate, must be forwarded for this Order; Seller may not hold invoices for a monthly statement.
- b) The invoice must show points of delivery and Order Number that appears in upper right-hand corner of this Order.

- e) The County has the right to refuse to make payment on any invoice unless and until presented by Seller with a receipt for the invoiced item signed by a representative of the County. The County's payment for any item shall not constitute acceptance of the item nor a waiver of any of the County's rights under this Order.

TAXES

Seller is responsible for and shall pay all retail sales taxes, income, real estate sales and use, transportation, and special taxes applicable to and assessable against any materials, equipment, processes, and operation incident to or related to this Order.

WORK ON COUNTY-OWNED PROPERTY

If this Order calls for work to be performed upon property owned or controlled by the County:

- a) The Seller also shall be required to agree to indemnify, defend, and hold the County harmless from any and all claims or liens for labor, services, or materials furnished to the Seller in connection with the performance of the Seller's obligation under the Contract.
- b) All items supplied or work performed by the Seller will remain at Seller's risk prior to written acceptance by the County, and Seller will replace at Seller's own expense all work damaged or destroyed by fire, force, violence, or the elements, or any other cause whatsoever.
