## Introduction

Mission . . . . .	vii
Regional Approach . . . . .	vii
Document Structure . . . . .	vii

## Chapter 1: Information on the Existing Transit System and Users

1-1 – Transit Services: What Kind of System Do We Have Now? . . . . .	1-1
Existing Transit and Shuttle Services . . . . .	1-2
MTA Core Bus . . . . .	1-6
MTA Commuter Bus . . . . .	1-8
Light Rail . . . . .	1-9
Metro Subway . . . . .	1-10
MARC . . . . .	1-11
MTA Mobility / Paratransit Program . . . . .	1-12
Charm City Circulator . . . . .	1-13
Harbor Connector . . . . .	1-14
Water Taxi . . . . .	1-15
Annapolis Transit . . . . .	1-16
Carroll Transit System . . . . .	1-17
Harford Transit . . . . .	1-18
Regional Transportation Agency of Central Maryland . . . . .	1-19
Rabbit Transit (York, PA) . . . . .	1-20
Other Transit Services . . . . .	1-20
1-2 – Transit Riders: Who Is Using the System? . . . . .	1-25
Who Uses Transit in the Baltimore Region? . . . . .	1-26
Ridership Trends / Potential Riders . . . . .	1-28
Specialized Transportation Services . . . . .	1-42
Baltimore City Student Transportation Service . . . . .	1-47

# Table of Contents

1-3 – Demographics: How Do We Expect the Region to Grow? . . . . .	1-51
Population . . . . .	1-53
Employment . . . . .	1-59
Other Factors Influencing Transit Use. . . . .	1-66
1-4 – Peer Transit Systems: How Do We Compare to Other Regions? . . . . .	1-77
Peer Comparisons. . . . .	1-78
Modal Types . . . . .	1-80
Farebox Recovery . . . . .	1-94
Comparing Vehicles Operated in Maximum Service and Passenger Miles Through Time . . . . .	1-97

## Chapter 2: Analysis of Regional Transit Issues and Challenges

### TRANSIT ACCESS

2-1 – Wayfinding: How Does the Public Get Information? . . . . .	2-1
Providing Information on the System . . . . .	2-2
2-2 – Accessing the System: How Easy Is It for People to Get Where They Need to Go? . . . . .	2-8
First / Last Mile Connections. . . . .	2-9
Park-and-Ride Facilities . . . . .	2-10
Water Transit . . . . .	2-12
Transit-Oriented Development and Stop/Station Design. . . . .	2-12
Amenities of Bus Stops . . . . .	2-14
Amenities of Fixed-Rail Stations . . . . .	2-19
Fare Collection . . . . .	2-20

### QUALITY OF SERVICE

2-3 – Service Performance: Is the System Doing What It’s Supposed to Do? . . . . .	2-25
Data for Performance Measurement. . . . .	2-26
Performance Measures . . . . .	2-27
Open Transit Data. . . . .	2-37
2-4 – Passenger Welfare: How Safe and Secure Is the System? . . . . .	2-39
Safety and Security and Regional Transit Services . . . . .	2-40
2-5 – Reaching Destinations: Can Transit Take Us Where We Need to Go? . . . . .	2-43
Access to Jobs . . . . .	2-44
Access to Other Destinations . . . . .	2-53

# Table of Contents

## Chapter 3: Recommendations

Recommendations – All Modes . . . . .	3-2
Recommendations – Bus . . . . .	3-5
Recommendations – MARC . . . . .	3-7
Recommendations – Metro . . . . .	3-9
Recommendations – Commuter Bus and Commuter Services . . . . .	3-9
Recommendations – Central Light Rail . . . . .	3-10
Recommendations – Mobility . . . . .	3-11
New Initiatives – Mode Not Yet Specified . . . . .	3-11
Performance Metrics . . . . .	3-12
Transit Projects from Priority Letters and Constrained Long-Range Transportation Plan . . . . .	3-14

## FIGURES

### Chapter 1: Background

#### 1-2 – Transit Riders

Figure 1 – MTA Annual Ridership by Mode . . . . .	1-29
Figure 2 – MTA Average Monthly Weekday Ridership by Mode . . . . .	1-29
Figure 3 – Weekday Ridership by Purpose . . . . .	1-30
Figure 4 – Worker Employment Status . . . . .	1-30
Figure 5 – Age of Workers . . . . .	1-31
Figure 6 – Mode of Transportation . . . . .	1-32
Figure 7 – Time of Departure to Work - Local Transit . . . . .	1-33
Figure 8 – Educational Attainment for Local Transit Users . . . . .	1-34
Figure 9 – Top Five MTA Bus Routes by 2014 Boardings . . . . .	1-36
Figure 10 – Top Ten MTA Bus Routes by 2014 Boardings . . . . .	1-37
Figure 11 – Transit Propensity Index (2011) . . . . .	1-38
Figure 12 – Transit Riders by Time of Day . . . . .	1-39
Figure 13 – Transit Mode of Access . . . . .	1-40
Figure 14 – Baltimore Region 2010 Block-Level Typology - ½ Mile . . . . .	1-41

# Table of Contents

## 1-3 – Demographics

Figure 1 – Population Density by TAZ, 2015 . . . . .	1-55
Figure 2 – Population Density by TAZ, 1990 . . . . .	1-56
Figure 3 – Population Density by TAZ, 2040 . . . . .	1-58
Figure 4 – Employment Density by TAZ, 2015 . . . . .	1-61
Figure 5 – Employment Density by TAZ, 1990 . . . . .	1-62
Figure 6 – Employment Density by TAZ, 2040 . . . . .	1-65
Figure 7 – Percent of Households Below Poverty, by Tract . . . . .	1-67
Figure 8 – Percent of Households with No Vehicle Available, by Tract . . . . .	1-69
Figure 9 – Percent of Population 65 Years and Over . . . . .	1-71
Figure 10 – Percent of Population Under 18 Years of Age . . . . .	1-73
Figure 11 – Transit Propensity Index (2011) . . . . .	1-75

## 1-4 – Peer Transit Systems

Figure 1 – Bus Fare Revenues per Total Operating Expense (Farebox Recovery) . . . . .	1-95
Figure 2 – Commuter Bus Fare Revenues per Total Operating Expense (Farebox Recovery) . . . . .	1-95
Figure 3 – Commuter Rail Fare Revenues per Total Operating Expense (Farebox Recovery) . . . . .	1-96
Figure 4 – Heavy Rail Fare Revenues per Total Operating Expense (Farebox Recovery) . . . . .	1-96
Figure 5 – Light Rail Fare Revenues per Total Operating Expense (Farebox Recovery) . . . . .	1-97

## 2-2 – Accessing the System

Figure 1 – Central Maryland Park-and-Ride Lot Usage . . . . .	2-11
---	------

## 2-3 – Service Performance

Figure 1 – MTA Monthly On-Time Performance Report. . . . .	2-27
Figure 2 – Transit Service, New York City’s M15 East Harlem Route . . . . .	2-28
Figure 3 – Crowding Analysis . . . . .	2-32
Figure 4 – Route 40 Outbound Ridership Data . . . . .	2-34
Figure 5 – MTA Bus Ridership: Quick Bus 40 Eastbound Weekday Fall 2014 - Daily Boardings & Alightings . . . . .	2-35

## **2-5 – Reaching Destinations**

<b>Figure 1 – Labor Force (&lt; College) in Baltimore Region . . . . .</b>	<b>2-46</b>
<b>Figure 2 – 60-Minute Transit/Walk Service Areas at Employment Centers . . . . .</b>	<b>2-48</b>
<b>Figure 3 – Transit/Walk Service Areas at Coca Cola Drive. . . . .</b>	<b>2-49</b>

## **Appendices**

- A – Survey Responses**
- B – Student Ridership**
- C – Busiest Bus Stops**
- D – Incident Data**
- E – Park-and-Ride Features**
- F – Priority Letters**
- G – Other Voices**
- H – Review of Previous Studies**
- I – On-Time Performance**
- J – Bus Network Improvement Project Report**
- K – Additional Demographics Material**
