

Clarification for Request for Proposals (RFP):

BALTIMORE REGIONAL PROJECT-BASED VOUCHER (PBV) PROGRAM

Guidance for Scattered Site Proposals and Ownership and Management Experience

This is to clarify that the term “Developments” as used in Section II (p. 4) of the Baltimore Regional Project Based Voucher RFP includes scattered-site project proposals.

Units in single-family building(s) will not be counted against the 25 percent per project cap on page 9 of the RFP.

Please submit a Regional PBV Proposal Information summary sheet (p. 23 of the RFP) for each unit contained in the proposed scattered-site Development.
