# REINVEST MARYLAND 2.0

- Reinvest Maryland is an opportunity to:
  - work together (local/state and across agencies)
  - strengthen collaborative efforts to support revitalization and reinvestment; and
  - engage stakeholders of all types in the effort to rebuild our communities and improve our quality of life

# REINVEST MARYLAND 2.0

- Expands the 2014 Reinvest Maryland report into a “toolkit”:
  - to encourage local communities to consider redevelopment projects in partnership with the private sector,
  - supported by public programs and resources

# REINVEST MARYLAND 2.0

## Report Released in June 2018

# REINVEST MARYLAND 2.0

- **Sustainable Growth Commission** initiative, staffed by MDP
  - Interactive website featuring case studies, tools, resources and a searchable toolbox of funding opportunities,
  - Featuring best practices, maps, photos and multi-media for use by planners and the public,
  - “One stop shop” highlighting reinvestment activities throughout the state
