**An Overview of Maryland's
The Transportation Trust Fund (TTF) and
The Consolidated Transportation Program (CTP)**

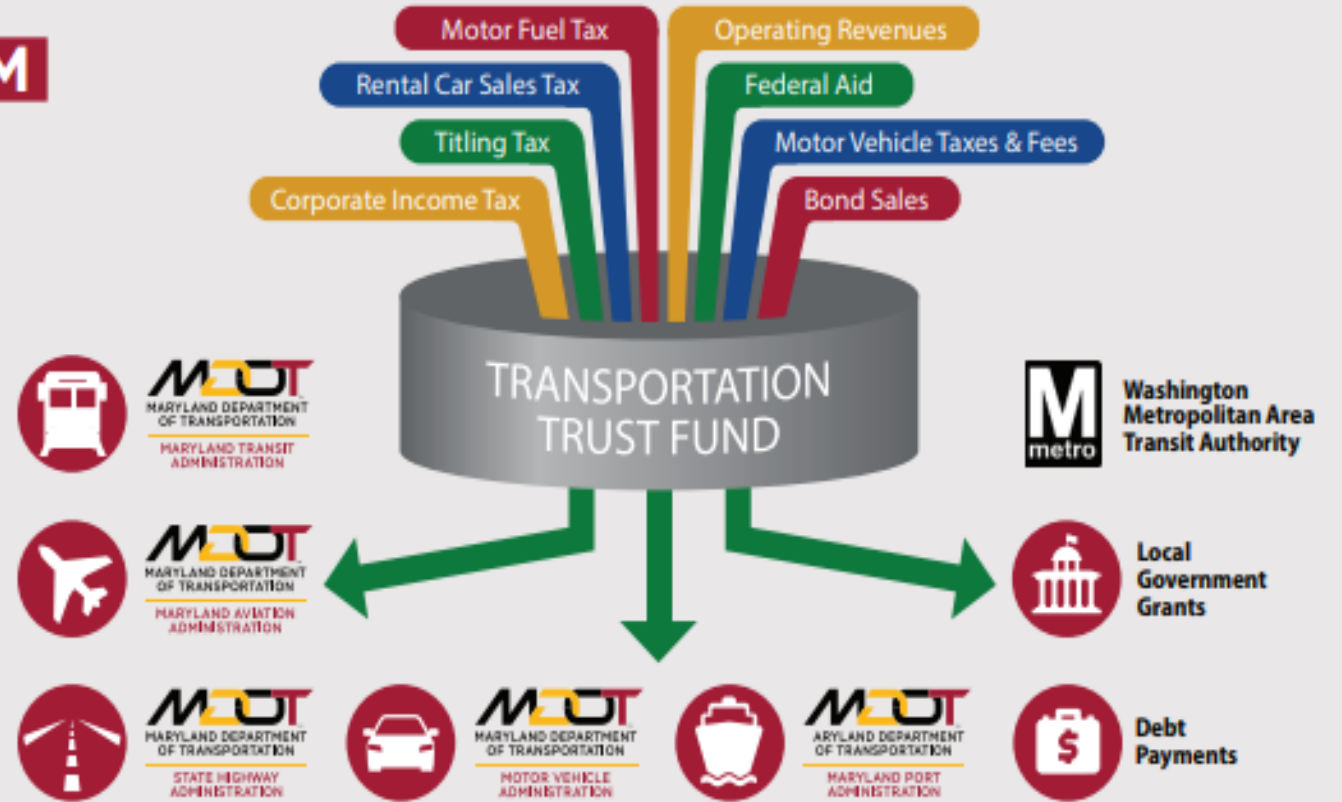

What is the Transportation Trust Fund (TTF)?

- The Transportation Trust Fund (TTF) is a nonlapsing special fund that provides funding for transportation in Maryland
- The TTF was created in 1971 to establish a dedicated fund to support the Maryland Department of Transportation (MDOT) and its six business units
- The TTF allows Maryland to have flexibility and diversity in meeting its transportation needs and challenges

WHERE THE MONEY COMES FROM

MDOT manages the State Transportation Trust Fund, which gives Maryland the flexibility to fund priority transportation needs that support a balanced statewide multimodal transportation system. This capability provides economic benefits to the entire State, creating jobs, expanding opportunities, and advancing transportation plans, program, and projects that will improve our transportation system and the quality of life Marylanders.

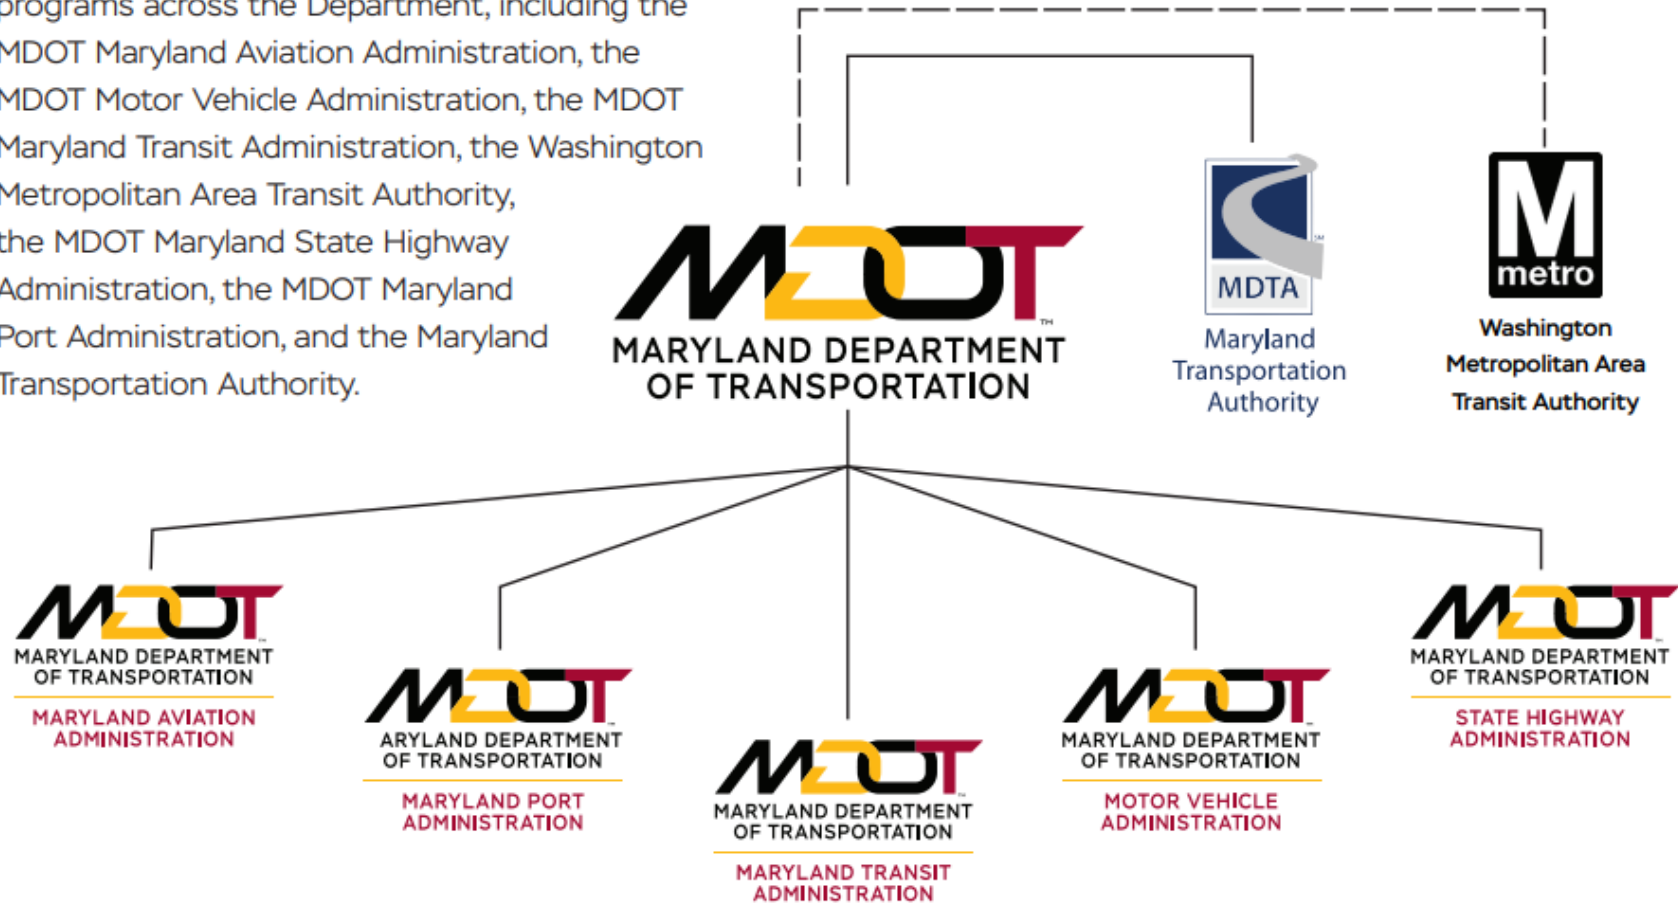

TTF Summary

- The TTF receives revenues from various sources, such as
 - Motor Fuel taxes
 - Vehicle registration and titling fees,
 - Operating revenues
 - Federal aide
 - Bonding
 - Corporate income taxes,
 - Other sources
- The TTF is the primary source of funding for Maryland's transportation system
- The TTF faces several challenges, such as rising costs, declining revenues, aging infrastructure, and competing demands –TRAIN Commission examining

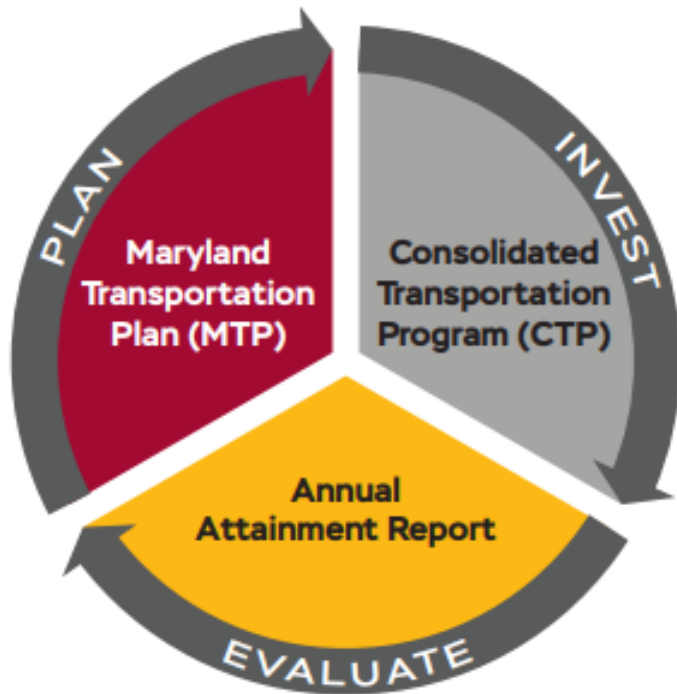

Maryland's Consolidated Transportation Program (CTP)

The CTP is Maryland's six-year capital budget for transportation projects and a key part of the State Report on Transportation (SRT). The CTP contains projects and programs across the Department, including the MDOT Maryland Aviation Administration, the MDOT Motor Vehicle Administration, the MDOT Maryland Transit Administration, the Washington Metropolitan Area Transit Authority, the MDOT Maryland State Highway Administration, the MDOT Maryland Port Administration, and the Maryland Transportation Authority.

What is Maryland's State Report on Transportation?

The MDOT State Report on Transportation is a State legislatively required annual report on transportation, submitted each year on the third Wednesday in January to the Maryland General Assembly. It contains three important documents: the Maryland Transportation Plan (MTP), the Consolidated Transportation Program (CTP), and the annual Attainment Report (AR) on Transportation System Performance.

PLAN

The MTP is MDOT's long-range vision for transportation.

INVEST

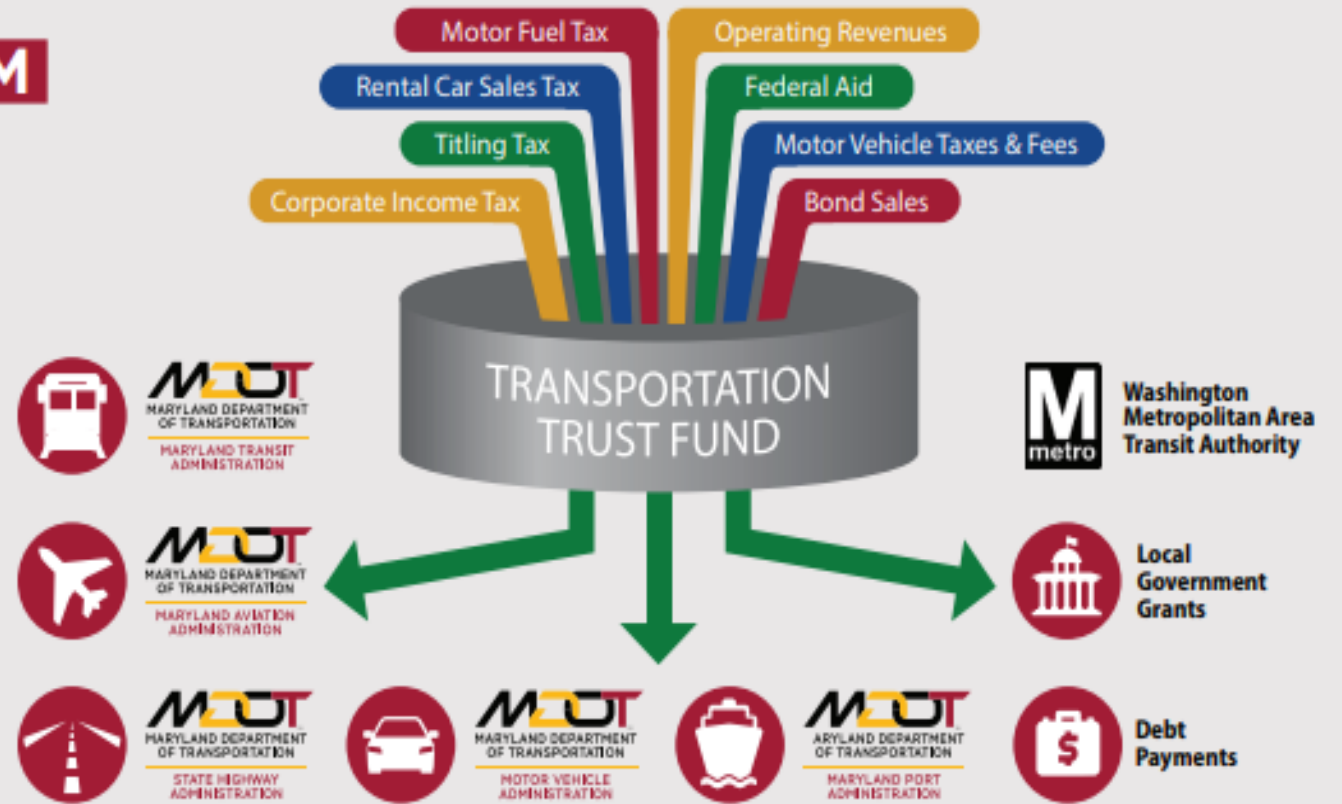

The CTP presents detailed listings and descriptions for the capital projects proposed for construction or development and evaluation.

EVALUATE

*The annual **Attainment Report on Transportation System Performance** evaluates and reports on the performance of Maryland's transportation system, focusing on the goals adopted in the MTP.*
