Operations Update

 **Joe Davis** ✓
@JoeDavis522

With assistance from [@MyBGE](#), [@BmoreCityDOT](#), [@BaltimoreOEM](#), [@mtamaryland](#) was able to recover and return conditions to normal on the MARC Camden Line after a building roof was blown off and brought down overhead lines onto the railroad off Bush Street. We would also discover two trees down on the tracks. Thank you friends for your assistance! [#Partnerships](#) [#WhateverItTakes](#)
