The screenshot displays the United States Census Bureau's Advanced Search interface. At the top, there is a search bar and navigation links for All, Tables, Maps, Pages, Microdata, Help, FAQ, and Feedback. The main content area is divided into two columns. The left column, titled 'Advanced Search', contains a search input field for 'Table ID (e.g., DP05)', a '0 Filters' indicator with a 'Clear all' button, and a 'Find a Filter' section with a search input and a list of filter categories: Codes (123), Geography (highlighted), Surveys, Topics, and Years. The right column, titled 'Select Geography', has tabs for 'Geographic Entities' and 'Summary Levels'. Below this is a section for 'Most Commonly Used Geographies' with a grid of buttons for Nation, State, County, Place, Zip Code Tabulation Area, Metropolitan Statistical Area, Tract, Block, and Block Group. At the bottom right, there is a 'SEARCH' button. Two orange arrows originate from the text on the left: one points to the 'Geography' filter category in the left panel, and the other points to the 'County' button in the 'Most Commonly Used Geographies' grid.

- Verify filters and click **Search**

The screenshot displays the United States Census Bureau search interface. At the top, there is a search bar with the text "Search" and a magnifying glass icon, followed by a link to "Advanced Search". Below the search bar is a navigation menu with options: "All", "Tables", "Maps", "Pages", "Microdata", "Help", "FAQ", and "Feedback".

The main content area is divided into two columns. The left column is titled "8 Filters" and includes a "Clear all" button. It lists five selected filters: "Anne Arundel County, Maryland", "Baltimore County, Maryland", "Baltimore city, Maryland", "Carroll County, Maryland", and "Harford County, Maryland". A "View + 3 More" link is also present. Below the filters is a "Find a Filter" search box.

The right column is titled "Employment / Select Employment" and contains a list of filter categories with checkboxes: "Class of Worker", "Commuting" (checked), "Employment", "Employment and Labor Force Status", "Industry", and "Occupation".

At the bottom right of the interface is a prominent teal "SEARCH" button. An orange arrow originates from the "Verify filters and click Search" instruction and points directly to this button.

The collage consists of five overlapping screenshots of the data.census.gov website. The top screenshot shows the 'What is data.census.gov?' page, featuring a navigation menu with options like 'BROWSE BY TOPIC', 'EXPLORE DATA', 'LIBRARY', 'SURVEYS/ PROGRAMS', 'INFORMATION FOR...', 'FIND A CODE', and 'ABOUT US'. A sidebar on the left lists sections such as 'WHAT IS DATA.CENSUS.GOV?', 'About data.census.gov', 'Latest Releases', 'Upcoming Releases', 'Guidance for Data Users', 'Guidance for 2020 Redistricting Data Users', 'Developmental Update', 'Outreach', 'Newsletter', and 'Contact Us'. The main content area is titled 'data.census.gov Resources' and includes the text: 'The vision for data.census.gov is to improve the customer experience by providing one centralized place so that data users spend less time searching and more time using it.' A small graphic of a QR code is overlaid on this screenshot. The middle-left screenshot shows the 'Webinars' page, which includes a video player and text: 'Did you miss our latest webinar? Or would you like to watch it again? View our latest recorded webinars on data.census.gov, the Census API, and Microdata Access. Most recorded webinars are available within a month of the original webinar date.' The middle-right screenshot shows the 'Release Notes' page, with the text: 'The purpose of this page is to summarize functionality included in the release of the Census Bureau's developing data dissemination platform at data.census.gov.' The bottom-left screenshot shows the 'News and Updates' page, featuring a list of recent news items, including '2019 American Community Survey 5-Year Selected Population Tables' and '2017 Economic Census US Basic Data (additional states/sectors)'. The bottom-right screenshot shows the 'Full Release Notes Document' page, which includes a list of release notes and a section for 'Errors and Defects'.
