If the Award Bidder is damaged by failure of the BCPS to purchase or maintain such insurance and to so notify the Award Bidder, then the BCPS shall bear all reasonable costs properly attributable thereto. The BCPS does not maintain insurance of any kind on tools, equipment, temporary offices, sheds, shacks and other property of the Award Bidder or of his employees, nor materials or supplies stored away from the job site. It shall be the complete responsibility of the Award Bidder to provide for his own protection and that of his employees against any losses of such tools, equipment and other property, and materials and supplies stored away from the job site.

- 12.3.2 The Award Bidder shall purchase and maintain boiler and machinery insurance if this contract includes installation, modification or repair of such equipment. The foregoing waiver afforded the Architect, his agents and employees shall not extend to the liability of the Architect, his agents or employees, arising out of (1) the preparation or approval of maps, drawings, opinions, reports, surveys, change orders, designs or specifications, or (2) the giving of or the failure to give directions or instructions by the Architect, his agents or employees providing such giving or failure to give is the primary cause of the injury or damage. The BCPS or the Award Bidder, as appropriate, shall require of the Architect, separate Contractors, Subcontractors and Sub-subcontractors by appropriate agreements, written where legally required for validity, similar waivers of each in favor of all other parties enumerated in this Subparagraph 12.3.6.

12.3.9 If BCPS finds it necessary to occupy or use a portion or portions of the facility where work is being done prior to Substantial Completion thereof, such occupancy shall not commence prior to a time mutually agreed to by the BCPS and Award Bidder and to which the insurance company or companies providing the property insurance have consented by endorsement of the policy or policies. This insurance shall not be cancelled or lapsed on account of such partial occupancy. Consent of the Award Bidder and of the insurance company or companies to such occupancy or use shall not be unreasonably withheld.

If such costs exceed the unpaid balance, the Award Bidder shall pay the difference to BCPS. The amount to be paid to the Award Bidder or BCPS, as the case may be, shall, upon application, be certified by the Architect after consultation with the Construction Manager and this obligation for payment shall survive termination of the Contract.

14.2.3 Upon such termination, the obligations of the contract shall continue as to portions of the work already performed and as to bona fide obligations assumed by the Contractor prior to the date of termination.

14.2.4 The Contractor agrees that the Contractor does not have a right to termination for convenience.

- 32.5 At no cost to the Award Bidder, BCPS shall provide and pay for water, heat, telephone and utilities used or consumed by the Award Bidder during the performance of the work or services hereunder if they are currently available at the work site. However, the Award Bidder shall install and pay for the costs of any temporary facilities not already in existence that will be required during construction for accessing such water, heat and utilities.
- 32.6 Award Bidders are responsible for coordinating planned interruptions of utility service with BCPS.
- 32.7 Award Bidders are responsible to notify BCPS of any occurrence of pre-existing condition that would prevent the completion of work as Specified. Any changes

- 32.9 Award Bidders are responsible to provide their own materials, tools and equipment. BCPS assumes no responsibility for vandalism or theft of Award Bidder s property.
- 32.10 At the time of the opening of bids each bidder will be presumed to have inspected the site and to have read and to be thoroughly familiar with the Solicitation, Specification, Plans and Contract Documents (including all Addenda). The failure or omission of any bidder to receive or examine any form, instrument, or document, shall in no way relieve any bidder from any obligation in respect of his bid.
- 32.11 Award Bidder shall be responsible for ensuring that employees assigned to BCPS sites, either employed by Award Bidder or their Sub-contractor(s), have successfully passed a criminal background check. The Award Bidder shall advise the BCPS of the intention to use any employees, including sub-contractor employees that are hired or obtained from any penal pre-release or work-release programs. In the event such employees are used, notification to BCPS shall include name and violation for each individual. The contractor shall take reasonable precautions when selecting such individuals and provide whatever safeguards are necessary for effective supervision. Such employees are not permitted inside school buildings when the nature of the contract is for outside work.
- 32.12 In accordance with Board of Education Policy 3231 and Superintendent's Rule 3231, the effective management of vendors conducting business with the Baltimore County Public Schools includes a process to evaluate vendor performance under a contract for the purchase of goods, performance of service, consulting, construction, construction management, building renovation, or improvement of facilities. The results of vendor performance appraisals may be used in subsequent evaluations of a vendor's ability to perform on future contracts. Vendors should receive feedback on their performance, whether it is positive or negative. In the case of negative feedback, the vendor shall be informed of why their performance is unsatisfactory and what corrective action is required.

Vendor performance evaluations are required for all BCPS contracts for construction, construction management, building renovation, or facility improvement that exceed \$500,000. Vendor performance evaluations shall be completed by the Office of Physical Facilities during the contract, and a final evaluation shall be prepared within 30 days of substantial completion of the contract. The Office of Purchasing may request a vendor performance evaluation for any contract with a value less than \$500,000.

For large, long-term projects, BCPS may use an internet and email based system to collect evaluations from key participants (vendors, contractors, subcontractors, designers, etc.) on its projects. This system is designed to facilitate open, detailed communication about any technical, communications, administrative or management issues that arise during the course of the contract, as well as to insure that potential problems are specifically identified and addressed as early in the contract period as possible (See PART II: SPECIFICATIONS--GENERAL REQUIREMENTS for further guidance).

- 32.13 Award Bidders must submit semi-annual statistical reports via email in an Excel format prescribed by BCPS for the periods of January to June and July to December each year. Reports are due, without notice, to BCPS on August 1 and February 1, respectively, following the end of each six-month period. Failure of the BCPS to remind Award Bidders that the reports are due does not relieve the BCPS of the responsibility of submitting the reports on time. The semi-annual reports must show the dollars spent in connection with this contract by the participating entities and may show other reporting categories mutually agreed upon by BCPS and Award Bidders. Failure to submit the reports on time may constitute unsatisfactory performance under the terms of the contract.

APPLICANT SCREENING AFFIDAVIT

I, (print name) _____ possess the legal authority to make this affidavit on behalf of (print company name) _____.

Effective July 1, 2019, Maryland Law requires contractors to screen all applicants for a position involving direct/routine contact with minors as defined in Section 6-113.2 of the Education Article, Maryland Annotated Code (“statute”).

Screening requires the applicant to submit to the contractor the following:

1. Contact information of:
 - a. The current employer
 - b. All former school employers; and
 - c. All former employers of the applicant in which the applicant was employed in a position involving direct/routine contact with minors.
2. Written consent form signed by the applicant to release all records relating to child sexual abuse or sexual misconduct.
3. A written statement of whether the applicant:
 - a. Has been the subject of a child sexual abuse or sexual misconduct investigation by any employer, arbitrator, county board, state licensing agency, law enforcement agency, or child protective services agency, unless the investigation resulted in any of the findings listed in Section 6-113.2(B)(3)(i)(1-5), of the statute.
 - b. Has ever been disciplined, discharged, nonrenewed or asked to resign from employment, or has ever resigned from, or otherwise separated from, any employment while allegations of child sexual abuse or sexual misconduct were pending or were under investigation, or due to an adjudication or findings of child sexual abuse or sexual misconduct; or
 - c. Has ever had a license. Professional license or certificate suspended, surrendered, or revoked while allegations of child sexual abuse or sexual misconduct were pending, or under investigation, or due to an adjudication or findings of child sexual abuse or sexual misconduct.

Before hiring an applicant for a position involving direct/routine contact with minors, the Contractor shall:

1. Review an applicant’s employment history by contacting employers listed by the applicant and requesting dates of employment and answers to questions regarding child sexual abuse or sexual misconduct required by the statute; and
2. Request a report from the Maryland Department of Education regarding the applicant’s eligibility for employment or certification status to determine whether the applicant
 - a. Holds a valid and active certification appropriate for the position and is otherwise eligible for employment; and
 - b. Has been the subject of professional discipline related to child sexual abuse or sexual misconduct.

If the information from an applicant's employer includes an affirmative response to the child sexual abuse or sexual misconduct questions, and the Contractor wants to further consider the applicant for employment, the Contractor shall request additional information from the employer including records related to the child sexual abuse or sexual misconduct.

Contractor shall conduct the employment history review of the applicant:

1. At the time of initial firing of the employee; or
2. Before the employee is assigned to work for the school entity in a position involving direct/routine contact with minors.

The contractor shall maintain a record of each employee's employment history review required by the statute; and provide BCPS access to the employee's records upon request.

Before assigning an employee to perform work for BCPS in a position involving direct/routine contact with minors, Contractor shall provide notice to BCPS of any affirmative responses to the child sexual abuse or sexual misconduct questions required by the statute.

Contractor may not assign an employee to perform work for BCPS in a position involving direct/routine contact with minors if BCPS objects to the assignment after receiving notice required by the statute.

Notwithstanding any other remedies available under the Contract, Contractor may be subject to disciplinary action by the Maryland State Department of Education for willful violations of the statute.

I FURTHER AFFIRM THAT:
