The County shall pay all reasonable costs incurred by the Contractor up to the date of termination. However, in no event shall the Contractor be paid an amount which exceeds the price bid for the work performed or goods delivered. 9. Termination
   a. Termination for Convenience: The County may terminate this Contract, in whole or in part, whenever the County determines that such termination is in the best interest of the County, without showing cause, upon giving at least 30 days written notice to the Contractor. The County shall pay all reasonable costs incurred by the Contractor up to the date of termination. However, in no event shall the Contractor be paid an amount which exceeds the price bid for the work performed or goods delivered. Upon termination for default, payment may be withheld at the discretion of the County. Failure on the part of a Contractor to fulfill the Contractual obligations of this Contract shall be considered just cause for termination of the Contract. If the damages exceed the undisbursed sums available for compensation, the County shall not be obligated to make any further disbursements hereunder. The Contractor will be paid for work satisfactorily performed prior to termination less any excess costs incurred by the County in reprocuring and completing the work or obtaining the goods.
10. Remedies for Default
   a. The County shall have the right upon the happening of any default, without providing notice to the Contractor:
i. In addition to other available rights and remedies, to terminate the Contract immediately, in whole or in part;

ii. To suspend the Contractor’s authority to receive any undisbursed funds; and/or

iii. To proceed at any time or from time to time to protect and enforce all rights and remedies available to the County, by suit or any other appropriate proceedings, whether for specific performance of any covenant, term or condition set forth in this Contract, or for damages or other relief, or proceed to take any action authorized or permitted under applicable law or regulations.

b. Upon termination of this Contract for default, the County may elect to pay the Contractor for services provided and/or goods delivered up to the date of termination, less the amount of damages caused by the default. If the damages exceed the undisbursed sums available for compensation, the County shall not be obligated to make any further disbursements hereunder.

11. Remedies Cumulative and Concurrent

No remedy herein conferred upon or reserved to the County is intended to be exclusive of any other remedies provided for in this Contract, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder, or under this Contract, or now or hereafter existing at law or in equity or by statute.
