DESCRIPTION: The Baltimore Metropolitan Council (BMC) is a quasi-governmental, non-profit agency serving the Baltimore region. Our board of directors includes the Mayor of Baltimore and the elected executive officials from the six surrounding counties. BMC's primary function is to support the Baltimore Regional Transportation Board (BRTB), the area's metropolitan planning organization (MPO) and its regional transportation planning activities. BRTB members consist of designated representatives from the cities of: Annapolis and Baltimore, the counties of: Anne Arundel, Baltimore, Carroll, Harford, Howard, and Queen Anne's. Additional members include the following state agencies: Department of Transportation, Department of the Environment, Department of Planning, and Maryland Transit Administration as well as Annapolis Transit.

In addition to a full range of transportation planning functions, BMC also provides support to member local governments in several other areas, including: economic and demographic research, computer mapping applications, air and water quality programs, cooperative purchasing, rideshare coordination, sustainable community planning, and workforce development.

BMC is seeking a multi-modal planner who is enthusiastic about improving quality of life for communities through planning and design. The focus of this work is bicycle, pedestrian, scooter, and other shared mobility options, all modes of transit, and TDM activities. This requires a strong interest and enthusiasm in livability and equitable transportation.

As a member of the BMC policy team, the Multi-Modal Planner will approach projects in a team-oriented, collaborative way. Work is performed in accordance with broadly defined objectives and professional standards along with independent judgment, subject to review and guidance by the Assistant Director, Transportation and senior staff during progress and upon completion.
