BRTB SEEKS COMMENTS ON EDISON HIGHWAY BRIDGE REPLACEMENT PROJECT IN 2017-2020 TIP

BALTIMORE, MD (October 5, 2016) – The Baltimore Regional Transportation Board (BRTB) seeks public comments for an update to the *2017-2020 Transportation Improvement Program (TIP)* for funding for the **Edison Highway Bridge replacement project**. This project is part of the overall **Baltimore Citywide Bridge Preservation and Rehabilitation project**.

Public comments will be accepted until **Friday, November 4**. The BRTB is scheduled to vote on the *TIP* amendment on **Tuesday, November 22, at 9 a.m.**

The *2017-2020 TIP* is the list of regional transportation projects requesting federal funding in the near term. It includes more than **\$2.71 billion** in proposed federal, state and local money for highway, transit, bicycle and pedestrian projects during the next four years. The funding goes towards maintaining, operating and expanding the transportation system. The *TIP* is fiscally constrained.

Updates occur in the *2017-2020 TIP* because of changes to project scope and funding or changes to federal documentation policies. Public comment periods and meetings aim to keep communication open regarding these changes. Please visit the following link to learn more about the BRTB's summary information of the project and changes, as well as the public review and comment period:
