

Baltimore Regional Cooperative Purchasing Committee

BRCPC NOTES | 8/13/19

✓ **Old Business:**

- Feedback: Erin Sher and Andrew Hime planned to lead in *negotiations with Axon* for Tasers. **Andrew Hime informed D.Groat by email that his Safety Department had already started negotiations and he will, therefore, not be engaging with Baltimore City.**
- Update: Erin Sher and Baltimore City's ransomware event. **Baltimore City was not available for comment.**
- Update from the Floor: Feedback on BRCPC's webpage and member portal **No comments. Reminded attendees that their procurement officer has the password information that can be shared.**

✓ **New Business:**

- **Emergency Debris Removal** – State Contract vs. Local bid **No comment. This will be raised with the Public Work Subcommittee but should be decided upon before a FEMA event presents itself.**
- Cooperative bidding opportunities – membership discussion
 - **Cold Water Meters** – Stephanie Whalon to bid in Harford County **Informational – No comment**
- Contract Awards
 - **Office Supplies** – Jamika Bowen opened bid 7/17/19 **Expect results within 4 weeks.**
 - **Chemicals, Bulk** – Mike Myers awarded and documents have been posted to website **Informational – No comment**
 - **Security Window Film Installation** – Brynn Cosner, St. Mary's County Public Schools awarded and documents have been posted to website (Baltimore County Public Schools may bid) Consider Homeland Security and Energy Grant funds. **Informational – No comment – Recommended that this be discussed for court houses or any public buildings that are being targeted by active shooters.**
 - **3D Printers** – Kathy Shafer, Baltimore County Public Schools awarded and documents have been posted to website. **Informational – No comment**

✓ **No reports will be heard from other committees**

- ✓ **Open** **Mike Myers shared that Dayle Deemer is the lead for the rebid of Glass Beads. All are invited to participate.**
