

A New Era in E-Procurement for Local Government

Procurement is at a crossroads. Purchasing professionals face increasing workloads and fewer resources. Citizens, customers, and vendors demand more. A growing number of buyers are turning to a new technology called ProcureNow to tackle this challenge.

We now live in the digital age. Local businesses and citizens are connected to government in an unprecedented way using online tools, and your purchasing website is the main way vendors and suppliers connect with you.

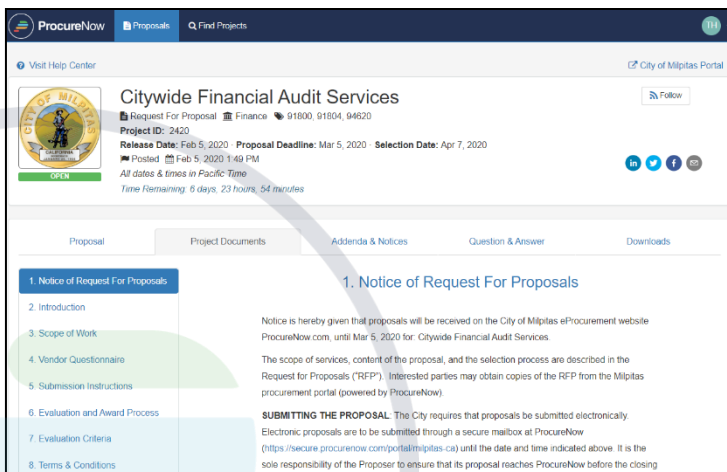

WHY PROCURENOW?

ProcureNow is an intuitive modern e-Procurement solution that helps you gain more insight into making better purchasing decisions, improving the efficiency and quality of the procurement process, and realizing cost savings that positively affect everyone!

Agencies who are pioneering procurement in the Digital Age with ProcureNow are setting a new standard by providing new, exciting services to their customers, improving vendor experiences, and saving time and money.

- Online Evaluation Scorecards & Bid Tabulations
- Online Contract Authoring & Collaboration Tools
- Contracts Management That Connects With Vendor Data and Sourcing Events
- Analytics Dashboard Tracks Cycle Times, Vendor Diversity, Purchasing History

A NEW ERA IN E-PROCUREMENT – SOLICITATION & CONTRACT DEVELOPMENT

ProcureNow raises the bar for what e-Procurement tools can do for you. Because it includes solicitation and contract authoring functionality, you don't get stuck formatting RFPs, bids, and contracts in a word processor. And it eliminates redundant data entry!

ENSURE FAIRNESS AND COMPLIANCE FOR BIDDERS

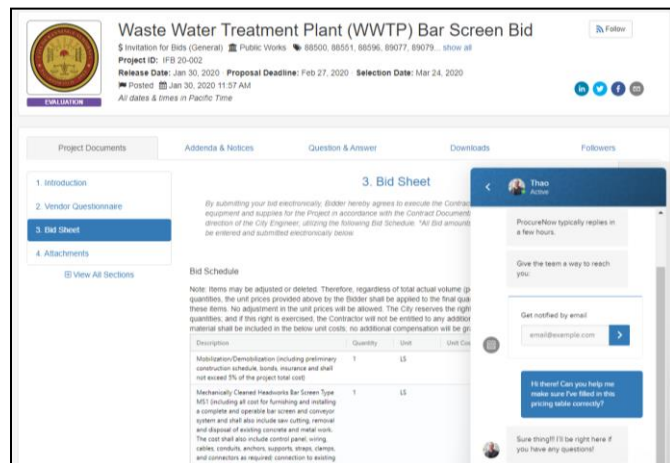

Consistent, well organized RFPs and bids using the most up to date language every single time means you never have to worry if a department goes "rogue". We make using your language intuitive, so they are happy to follow your guidelines and instructions built within each template!

NOT ALL "E-BIDDING" IS THE SAME

Uploading massive PDFs for both the solicitation and vendor response leads to confusion on both sides. Large PDFs are hard to read, and it usually ends up being printed. With ProcureNow's interactive solicitations and guided vendor experiences, paperless also means easier and more interactive. *Solicitations, Vendor Responses, Evaluations, and Contracts are all paperless with ProcureNow!*

TRAIN AS YOU GO + REAL TIME CHAT SUPPORT

ProcureNow guides both staff and vendors with effective instructions while you work. Users are up and running in minutes! Both staff and vendors also have access to our in-application real-time support that's connected to our exceptional and dedicated team. This means more responsive bids every time!

TRANSPARENT AND COLLABORATIVE

Now, you and your procurement team have insight and easy access to every procurement being considered... and real time collaboration tools that let you build and communicate with your internal project teams to keep everyone in the loop at all times!

FULL FEATURED AT A FAIR PRICE

With ProcureNow you're getting the most comprehensive Government e-Procurement Platform on the market for an affordable monthly price. Since we also solve some of your biggest time wasters, the ROI is significant and immediate. This is THE big WIN-WIN you've been looking for.

"Writing and Reviewing RFPs in ProcureNow is so easy. I can rest assured every solicitation is consistently well organized, has all the required clauses, while being easy for vendors to understand and respond."

SUSAN LIGHTFOOT, CTCD, CTCM
DIRECTOR OF PURCHASING
BRAZOS VALLEY COUNCIL OF GOVERNMENTS

"Our entire procurement process, from purchase request to contract management, is easily managed and in one place! Vendors are intuitively guided through every bid response."

CHRIS SCHROEDER
PURCHASING AGENT
THE CITY OF MILPITAS CALIFORNIA

"ProcureNow has empowered our staff to focus on strategic procurement rather than the administrative build out of each solicitation. In fact, drafting time is cut in half! Not to mention the 1,000% increase in vendor transparency all the while breaking records on vendor responses and engagement. Staff AND vendors love it!"

CONOR PETERSON
E-PROCUREMENT PROJECT MANAGER
SACRAMENTO AREA COUNCIL OF GOVERNMENTS
