# Governors Highway Safety Association (GHSA)

## Vision

Lead states and territories in moving toward zero deaths on the nation's roadways through leadership, partnerships and advocacy.

## Mission

Provide leadership and advocacy for the states and territories to improve traffic safety, influence national policy, enhance program management and promote best practices.

# Annual Conference

A dark grey banner with a decorative left side featuring yellow and grey geometric shapes. The main text is white. It includes the GHSA logo (a compass rose with 'G' and 'HSA' inside), '2025 ANNUAL MEETING', and the conference theme: 'BRIDGING COMMUNITIES, BUILDING PARTNERSHIPS: WORKING TOGETHER FOR SAFER ROADS'. The location and dates 'PITTSBURGH • AUGUST 23 - 27' are also listed.

# GHSA Resource Hub

Our resources include but aren't limited to:

-  Reports that take a deep dive and present new data on key safety issues
-  Media coverage that spotlights traffic safety for local and national audiences
-  Safety showcases that share lessons learned and best practices from state and community initiatives
-  Career opportunities to help build a deep bench of talented safety professionals across the industry
-  Dozens of in-depth Behavioral Traffic Safety Cooperative Research Program (BTSCR) reports
-  And much more!

# Association of Transportation Safety Information Professionals (ATSIP)

## VISION

ATSIP aspires to be the International Traffic Records Coordinating Committee – promoting sound policies, models, practices and technology to produce widely available high-quality traffic records data and information used for effective safety policy-making and program implementation.

## GOAL

To improve the quality of traffic records – to make them timely, accurate, consistent, complete, accessible, and integrated – and to encourage their use to select, implement and evaluate safety programs and policies throughout the world.

## MISSION

To provide a forum for communicating traffic records improvement strategies among all interested disciplines, organizations, and governments and to use its combined expertise to recommend strategies, standards, policies and programs.

## ORGANIZATION

ATSIP's organization consists of an executive Board and professional members. Its activities are supported by governments, academic and professional associations, and private sector partners. To get to know the team that makes up ATSIP, view our Team page here.

# Traffic Records Forum

This event is for data analysts, state and local law enforcement officials, engineers, motor vehicle officials, emergency medical services providers, judicial administrators, and highway safety professionals from across the United States and international communities. Attendees can participate in sessions for the latest safety data collection methods and best practices and learn how to:

- Improve the accuracy of traffic records and highway safety data
- Apply performance goals/measures in traffic records system improvements
- Implement a model traffic records system
- Organize and operate a successful traffic records committee
- Recognize the importance of standards and guidelines for traffic records systems
- Become acquainted with new technologies and ideas
- Network with a variety of transportation and highway safety professionals, AND
- Discover how better data can help save lives

# Lifesavers Conference

## Lifesavers Vision

The Vision of Lifesavers is to inspire and mobilize all roadway safety stakeholders to implement and share strategies to eliminate traffic injuries and deaths.

## Lifesavers Mission

The Mission of Lifesavers is to convene the premier conference to improve roadway safety.

<https://lifesaversconference.org/governance>

# Lifesavers

*The 2026 Lifesavers Conference provides a national platform with approximately 80 workshops in ten tracks, plenary sessions, and an extensive exhibit hall. The Lifesavers Conference program is designed to engage federal, state and local government, law enforcement, public health, injury prevention, advocacy, and non-profit organization professionals in an exchange of ideas, strategies, and programs to reduce preventable injuries and deaths.*

## Five Compelling Reasons to Attend the Lifesavers Conference on Roadway Safety

1. **Hot topics.** Learn about the latest traffic safety topics and trends including current issues that influence traffic safety trends, speed, distracted motorists and pedestrians, current technology, drug-impaired driving, autonomous vehicles, and more! Lifesavers addresses the issues impacting roadway safety today.
2. **Something for everyone.** Whether you're a state or local highway safety official, police officer or first responder, private or non-profit program provider, student or academician, Lifesavers' comprehensive program is for you.
3. **Affordable.** Sponsorships, off-season scheduling, and reasonable registration fees allow the Lifesavers Conference to be one of the most affordable professional conferences in the U.S.
4. **Experts & pros.** Learn from leading experts and network with professionals from the nation's top safety organizations.
5. **State-of-the-art tools.** Learn about the latest products, services, programs, and/or publications – some exclusively at Lifesavers!
